

Cafeteria & Dining

Inspiration for Modern Campuses

Furniture That Fits®

Let's Eat

Let's Meet

Last week, this space hosted both a town hall meeting and a PTA meeting. Tonight, it will transform into a ballroom for a magical, memorable school dance. And every day of the week, hundreds of students eat lunch here, meet with their friends, study together or separately, making use of the many options for collaboration at the heart of their school.

It's the 21st century take on the school cafeteria, with flexibility made possible by Virco, America's leading manufacturer and supplier of furniture and equipment for schools. You are invited to see how we've outfitted schools nationwide to create engaging and hard-working spaces that meet the needs of today's students, teachers, and the greater community, too.
