# Proudly Designed, Manufactured And Assembled By American Workers:

Since 1950, when we opened our doors in Southern California, Virco has been proud to design, manufacture and assemble our products in the U.S..

One of America's iconic brands, Virco is the country's largest manufacturer and supplier of furniture and equipment for K-12 schools. All manufacturing processes – from metal fabrication and woodworking, to plastic injection molding, powder coating and chrome plating – are done in-house at our two state-of-the-art facilities in Torrance, California, and Conway, Arkansas.

Because we're involved in every process from beginning to end, we can assure the highest quality product at an affordable price. Our American workforce takes pride in their work, knowing that their expertise has earned Virco a reputation for integrity and value.

## Two Top Styles To Choose From

### Epoxy Resin Top

Non-toxic epoxy liquid is poured into a mold to become a solid epoxy top, which is extremely heavy and provides superior resistance to abrasion, chemicals, acid, heat and moisture. This is the most durable science table top that Virco offers.

### Chemsurf® Top With Sure Edge®

As the mid-line grade of science table tops in Virco's product line, Chemsurf high-pressure laminate work surfaces provide very good heat and chemical resistance; they're also acid-resistant and water-resistant. Tops edges are finished with urethane-based Sure Edge.

## Virco Warranty

Virco will repair or replace, at its option, any Virco furniture or equipment product which proves to be defective in original material or workmanship that may become evident within the first 10 years of the date of purchase and 5 years from the date of purchase for glides, floor rocker foam pad, casters, pneumatic cylinders and torsion bars on mobile folding tables. This is your sole and exclusive remedy. This warranty covers products manufactured after January 1, 2017, as long as product is owned by original purchaser, and is subject to limitations.

## Terms and Conditions:

- Selections apply to orders taken from January 1, 2024 to December 31, 2024 for immediate delivery.
- Requested Delivery Date Range

The requested delivery date is a required element of the order. Failure to indicate a delivery date will result in the order shipping as soon as it is ready. Indication of a delivery date that is earlier than the stated lead times for the items on the order will result in the order shipping as soon as it is ready. If a specific delivery date is needed, please indicate a range of dates that are acceptable as it may not be possible to deliver on a specific date. If an order cannot be received until a certain date, please indicate a "not before" date, with the understanding that the order can arrive anytime after that date and will not necessarily arrive the next day. During our peak season of July and August, delivery dates may be extended due to heavy demand for both product and transportation. Accepting orders as soon as they are ready is the best way to ensure your order is fulfilled.

If you are seeking the fastest delivery times, order products from different groups (Quick Ship models or Campus Basics models) on different purchase orders. Orders with product from mixed groups will be shipped when complete, which will be at the longest model lead time. Any orders for Stocked models only will be shipped as soon as possible, unless otherwise requested. Due to the quick turnaround of these orders, no shipping notification will be provided. Sorry, but we cannot accept C.O.D. orders. We do accept Visa, Master Card, American Express, and Discover as forms of payment.

## Changes or Cancellations of Orders

Purchase orders acknowledged by Virco Inc. cannot be changed or cancelled without Virco Inc.'s consent, which consent may be conditioned upon Customer's agreement to pay increased or additional expenses resulting from the requested change or cancellation, including but not limited to a twenty-five percent (25%) cancellation charge if order is cancelled or changed within a minimum of twenty (20) days prior to expected delivery date as acknowledged. Products with custom options cannot be cancelled or returned.
