**Based on New York Stock Exchange rules, brokers are only permitted to vote on proposal 5 without instructions from the beneficial owner, as discussed in more detail in the Proxy Statement. Therefore, if your shares are held through a brokerage firm, bank or other nominee, they will not be voted on the remaining proposals, including the election of directors, unless you provide voting instructions to your brokerage firm, bank or other nominee.**

**PROXY STATEMENT  
FOR ANNUAL MEETING OF STOCKHOLDERS**

**Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting to be Held on  
June 24, 2014**

**The Proxy Statement and accompanying Annual Report to Stockholders are available at  
<http://service.virco.com/financialinfo>**

**GENERAL INFORMATION**

This Proxy Statement is being mailed to stockholders of Virco Mfg. Corporation, a Delaware corporation (the “Company”), on or about May 23, 2014, in connection with the solicitation by the Board of Directors of proxies to be used at the 2014 Annual Meeting of Stockholders (the “Annual Meeting”) of the Company to be held on Tuesday, June 24, 2014, at 10:00 a.m. Pacific Time at the Company’s Corporate Headquarters located at 2027 Harpers Way, Torrance, California, 90501 and any and all adjournments and postponements thereof.

The cost of preparing, assembling and mailing the Notice of the Annual Meeting, Proxy Statement and form of proxy and the solicitation of proxies will be paid by the Company. Proxies may be solicited in person or by telephone, telegraph, e-mail or other electronic means by personnel of the Company who will not receive any additional compensation for such solicitation. The Company will reimburse brokers or other persons holding stock in their names or the names of their nominees for the expenses of forwarding soliciting material to their principals.

**RECORD DATE AND VOTING**

The close of business on May 9, 2014, has been fixed as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting. On that date there were 14,718,414 shares of the Company’s common stock, par value \$.01 per share (“common stock”), outstanding. All voting rights are vested exclusively in the holders of the Company’s common stock. Each share of common stock is entitled to one vote on any matter that may be presented for consideration and action by the stockholders, except that if proposal 2 fails to receive the vote required for approval, stockholders will be allowed to cumulate their votes for the election of directors. Stockholders wishing to cumulate their votes with respect to the election of directors will be entitled to cast a number of votes equal to the number of nominees for director times the number of shares actually owned. That number of votes may be cast for one nominee, divided equally among each of the nominees or divided among the nominees in any other manner. Stockholders wishing to cumulate their votes should make an explicit statement of their intent by so indicating in writing on the proxy card.

Below is a summary of the vote required for adoption of each proposal and the respective effect of abstentions and broker non-votes. For more detailed information see the discussion of the respective proposal below.

<u>Proposal</u>	<u>Vote Required for Approval of Proposal</u>	<u>Effect of Abstentions</u>	<u>Effect of Broker Non-Votes</u>
Amendment to our Certificate of Incorporation to provide for the annual election of directors	75% of outstanding shares	Vote "Against"	Vote "Against"
Amendment to our Certificate of Incorporation to eliminate cumulative voting	75% of outstanding shares	Vote "Against"	Vote "Against"
Election of directors	Plurality of shares voted	No effect	No effect
Advisory vote on executive compensation	Majority of shares voted	Vote "Against"	No effect
Ratification of Ernst & Young LLP	Majority of shares voted	Vote "Against"	No effect
Amendment to our 2011 Stock Incentive Plan	Majority of shares voted	Vote "Against"	No effect

A broker non-vote occurs when a bank, broker or other nominee does not have authority to vote on a particular item without instructions from the beneficial owner and has not received instructions. Brokers only have discretion to vote on "routine" matters, such as the ratification of the selection of the independent registered public accounting firm. The remaining proposals are not considered "routine" matters and as a result, your broker will not have the discretion to vote on those matters at the 2014 Annual Meeting unless you provide applicable instructions to do so. Therefore, we strongly encourage you to follow the voting instructions on the materials you receive.

Each proxy received will be voted "for" the Board's nominees for election as directors and "for" the other proposals included in this 2014 Proxy Statement, unless the stockholder otherwise directs in his or her proxy. Where the stockholder has appropriately directed how the proxy is to be voted, it will be voted according to his or her direction. If proposal 2 fails to pass at the 2014 Annual Meeting, cumulative voting will be allowed with respect to the election of directors. Stockholders wishing to cumulate their votes with respect to the election of directors, if it is allowed, should make an explicit statement of the intent to cumulate votes by so indicating in writing on the proxy card or when voting by telephone or internet. Stockholders holding shares beneficially in street name who wish to cumulate votes should contact their broker, trustee or nominee.

Any stockholder has the power to revoke its proxy at any time before it is voted at the 2014 Annual Meeting by submitting written notice of revocation to the Secretary of the Company at the Company's principal executive offices located at 2027 Harpers Way, Torrance, California 90501, by appearing at the 2014 Annual Meeting and voting in person or by filing a duly executed proxy bearing a later date, either in person at the 2014 Annual Meeting, via the Internet, by telephone, or by mail. Please consult the instructions included with your proxy card for how to vote your shares.

## **CORPORATE GOVERNANCE**

### **Meetings and Independence**

Each director of the Company serving in fiscal 2013 attended at least 75% of the total number of meetings of the Board of Directors and committees on which he served with the exception of James Wilburn, who attended 66% of the meetings of the Board of Directors and Albert Moyer, who attended 66% of the Audit Committee meetings prior to his resignation. The Board of Directors held six meetings in fiscal 2013. In addition, the independent directors hold two regularly scheduled executive session meetings each fiscal

year outside the presence of management as well as additional meetings as are necessary. Directors are expected to attend the Annual Meeting of Stockholders. Last year all of the directors then in office attended the 2013 Annual Meeting of Stockholders.

The Board of Directors has determined that the following directors, who, as of the Annual Meeting, will constitute a majority of the Board of Directors, are “independent directors” as defined by the NASDAQ Stock Market listing standards: Michael DiGregorio, Robert Lind and Donald Rudkin. Mr. Robert A. Virtue is Mr. Douglas A. Virtue’s father.

### **Leadership Structure**

On May 7, 2014 the Board of Directors unanimously approved an amendment to the Company’s Bylaws to decrease the size of the Board to five (5) persons. In addition to reducing its size, the Board of Directors determined it was in the best interests of the stockholders to reconstitute the Board with new outside directors. In connection therewith, the Board accepted the resignations of Thomas J. Schulte, Donald S. Friesz, Glen D. Parish, James R. Wilburn and William L. Beer effective May 7, 2014 and the resignation of Robert Montgomery to be effective no later than commencement of the Annual Meeting. Robert Lind and Donald Rudkin were appointed to fill two vacancies that were created. The new, smaller Board is expected to save the company over \$260,000 a year in direct costs by eliminating the fees and expenses of four directors and is expected to help reposition the Company.

Currently, Mr. Robert Virtue serves as Chairman and Chief Executive Officer (“CEO”) of the Company. Because the Board also believes that strong, independent Board leadership is a critical component of effective corporate governance, the Board has established the position of lead independent director. The lead independent director position rotates among the independent directors periodically as determined by the independent directors. Mr. Beer served as the lead independent director prior to his resignation and Mr. DiGregorio was appointed lead independent director to replace him. The lead independent director’s responsibilities and authority include providing input to the Chairman and CEO on preparation of agendas for Board and committee meetings and communicating to the Chairman and CEO the substance of the discussions and consensus reached at the meetings of independent directors. On May 7, 2014, the Board amended its charter so the lead independent director will also serve as chair of the Corporate Governance and Nominating Committee. In addition, the Company has strong governance structures and processes in place to review and confirm the independence of the Board, eliminate conflicts of interest, and prevent dominance of the Board by management. For example, all directors, with the exception of Mr. Robert Virtue and Mr. Douglas Virtue, are independent as defined by the listing standards of the NASDAQ Stock Market, and all committees are made up entirely of independent directors.

### **Audit Committee**

The Board of Directors has a standing Audit Committee which is currently composed of Messrs. Rudkin (Chair), DiGregorio and Lind. Prior to reconstituting the Board of Directors, Messrs. Schulte (Chair), Wilburn, and Beer served as the Audit Committee. The Audit Committee held two on-site meetings and two telephonic meetings in fiscal 2013. The Audit Committee acts pursuant to a written charter adopted by the Board of Directors. Among other things, the Audit Committee is directly responsible for: the appointment, compensation, retention and oversight of the independent registered public accounting firm; reviewing the independent registered public accounting firm’s qualifications and independence; reviewing the plans and results of the audit engagement with the independent registered public accounting firm; reviewing the financial statements of the Company; reviewing the scope of the annual audit by the Company’s independent registered public accounting firm; reviewing the audit reports rendered by such independent registered public accounting firm; approving professional services provided by the independent registered public accounting firm and approving financial reporting principles and policies; considering the range of audit and non-audit fees; reviewing the adequacy of the Company’s internal accounting controls; and working to ensure the integrity of financial information supplied to stockholders. The Audit Committee also has the other responsibilities enumerated in its charter. The Audit Committee’s charter is available on the Company’s website at [www.virco.com](http://www.virco.com) in the Corporate Governance section of the About Virco webpage. Each of the Audit Committee members is an “independent director” as that term is defined for audit committee members by the listing standards of the NASDAQ Stock Market. The Board of Directors determined that Mr. Schulte, who was the chair of the Audit Committee prior to his resignation, qualified as an “audit committee financial expert,” as that term is defined in Item 407(d)(5) of Regulation S-K of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). Each of Messrs. Rudkin, DiGregorio and Lind qualify as “audit committee financial experts,” as determined by the Board of Directors. The Board reevaluates the composition of the Audit Committee on at least an annual basis to ensure that its composition remains in the best interests of the Company and its stockholders.

### **Compensation Committee**

The Board of Directors has a standing Compensation Committee which is currently composed of Messrs. Lind (Chair), DiGregorio, Rudkin and, until the effectiveness of his resignation, Montgomery. Prior to reconstituting the Board of Directors, the Compensation Committee was composed of Messrs. Wilburn (Chair) and Beer, in addition to Montgomery, all of whom were

“independent directors” as defined in the listing standards of the NASDAQ Stock Market. The Compensation Committee held two on-site meetings in fiscal 2013. The function of the Compensation Committee is, among other things, to: set the Company’s compensation policy and administer the Company’s compensation plans; make decisions on the compensation of key Company executives (including the review and approval of merit/other compensation budgets and payouts under the Company’s incentive plans); review and approve compensation and employment agreements of the Company’s executive officers; and recommend pay levels for members of the Board of Directors for consideration and approval by the full Board of Directors. The Compensation Committee oversees the design and implementation of the incentives and risks associated with the Company’s compensation policies and practices. The Compensation Committee may consult with the Chief Executive Officer and other members of senior management as it deems necessary and engage the assistance of outside consultants to assist in determining and establishing the Company’s compensation policies. During fiscal 2013, the Company did not engage the assistance of compensation consultants. The Compensation Committee acts pursuant to a written charter adopted by the Board of Directors, a copy of which is available on the Company’s website at [www.virco.com](http://www.virco.com) in the Corporate Governance section of the About Virco webpage.

### **Corporate Governance and Nominating Committee**

The Board of Directors has a standing Corporate Governance and Nominating Committee which is currently composed of Messrs. DiGregorio (Chair), Lind, Rudkin and, until the effectiveness of his resignation, Montgomery. The Corporate Governance and Nominating Committee was composed of Messrs. Friesz, Parish, Schulte, Wilburn and Beer, prior to reconstituting the Board of Directors, in addition to DeGregorio and Montgomery (Chair prior to the announcement of his resignation). All members of the Corporate Governance and Nominating Committee are “independent directors” as defined in the listing standards of the NASDAQ Stock Market. During fiscal 2013, the Corporate Governance and Nominating Committee held four on-site meetings and four telephonic meetings. Each of these meetings was held outside the presence of management. The Corporate Governance and Nominating Committee acts pursuant to a written charter adopted by the Board of Directors, a copy of which is available on the Company’s website at [www.virco.com](http://www.virco.com) in the Corporate Governance section of the About Virco webpage. The Corporate Governance and Nominating Committee recommended to the Board of Directors each nominee the Board selected.

The Corporate Governance and Nominating Committee’s functions are to identify and recommend to the Board of Directors from time to time candidates for nomination for election as directors of the Company at the Annual Meeting, recommend the composition of the Board of Directors and its committees, monitor a process to assess Board effectiveness and develop and implement Company corporate governance guidelines. Candidates may come to the attention of the Corporate Governance and Nominating Committee through members of the Board of Directors, stockholders or other persons. Consideration of new Board nominee candidates typically involves a series of internal discussions, review of information concerning candidates and interviews with selected candidates. Candidates may be evaluated at regular or special meetings, and may be considered at any point during the year, depending on the Company’s needs. In evaluating nominations, the Corporate Governance and Nominating Committee considers a variety of criteria, including business experience and skills, independence, judgment, integrity, the ability to commit sufficient time and attention to Board of Directors activities and the absence of potential conflicts with the Company’s interests. The Corporate Governance and Nominating Committee does not establish any specific minimum qualification standards for nominees to the Board of Directors, although from time to time the Corporate Governance and Nominating Committee may identify certain skills or attributes (e.g., financial experience, business experience) as being particularly desirable to meet specific Board of Director needs that may arise. To recommend a prospective nominee for the Corporate Governance and Nominating Committee’s consideration, stockholders should submit a candidate’s name and qualifications to the Company’s Corporate Secretary at 2027 Harpers Way, Torrance, California 90501, Attention: Robert E. Dose, Secretary.

### **Communications with the Board of Directors**

Any stockholder interested in communicating with individual members of the Board of Directors, the Board of Directors as a whole, any of the committees of the Board or the independent directors as a group may send written communications to the Board of Directors, any committee of the Board of Directors or any director or directors of the Company at 2027 Harpers Way, Torrance, California 90501, Attention: Robert E. Dose, Secretary. Communications received in writing are forwarded to the Board of Directors, or the committee or individual director or directors to whom the communication is directed, unless, at his discretion, the Secretary determines that the communication is of a commercial or frivolous nature, is unduly hostile, threatening, illegal, does not reasonably relate to the Company or its business, or is otherwise inappropriate for the Board of Directors’ consideration. In such cases, such correspondence may be forwarded elsewhere in the Company for review and possible response. The Secretary has the authority to discard or disregard any inappropriate communications or to take other appropriate actions with respect to any such inappropriate communications.

## **Code of Ethics**

The Company has adopted a Code of Conduct and Ethics for Directors, Officers and Employees (the “Code”). The Code applies to all Company directors, employees and officers, including the Company’s Chief Executive Officer and senior financial officers, including the principal financial and accounting officers. The Code is available on the Company’s website at [www.virco.com](http://www.virco.com) in the Corporate Governance section of the About Virco webpage. The Company intends to post amendments to or waivers under the Code that apply to its Chief Executive Officer, principal financial officer and principal accounting officer on its website. Upon written request, the Company will provide a copy of the Code free of charge. Requests should be directed to Virco Mfg. Corporation, 2027 Harpers Way, Torrance, California 90501, Attention: Robert E. Dose, Secretary.

## **Shareholders Rights Plan**

The Company adopted a shareholder rights plan, or “poison pill,” in October 1996 with an expiration set for 2006 that was subsequently extended to October 2016. As part of its ongoing review of its corporate governance policies, the Board of Directors determined that the trend among companies is to terminate or not renew such plans absent a specific risk to the stockholders interest. To that end, the Board of Directors determined to terminate the Company’s shareholder rights plan following the 2014 Annual Meeting.

## **PROPOSAL 1**

### **AMENDMENT TO OUR CERTIFICATE OF INCORPORATION TO PROVIDE FOR THE ANNUAL ELECTION OF DIRECTORS**

The Company’s Certificate of Incorporation currently divides the Board of Directors into three classes with as close to one-third of our Directors in each class as possible. Directors of each class serve staggered three-year terms, with the term of office of one class expiring each year. We are asking you to adopt and approve an amendment to our Certificate of Incorporation that would declassify the Board of Directors and provide that all Directors elected at or after the 2014 Annual Meeting be elected on an annual basis. The complete text of the proposed amendments to the Certificate of Incorporation to eliminate the classification of the Board of Directors is attached as Appendix A to this Proxy Statement.

## **Background of the Proposal**

Classified or staggered boards gained popularity in the 1980’s as defenses against hostile takeovers. Proponents of classified boards assert that they promote stability and continuity and foster director independence. However, investors increasingly believe that classified boards have the effect of reducing the accountability of directors to stockholders because classified boards limit the ability of stockholders to evaluate and elect all directors on an annual basis. The election of directors is the primary means for stockholders to influence corporate governance policies and to hold management accountable for implementing those policies. Over 90% of the companies in the S&P 500 and over 60% of the Russell 1000 now have declassified boards. The Company is aware of the increasing support of investors generally for these types of changes in corporate governance policies and procedures and believes that it is in the best long-term interests of the stockholders to declassify the Board. These amendments to the Certificate of Incorporation further the Board of Directors’ goal of ensuring that the Company’s corporate governance policies maximize management accountability to stockholders by allowing stockholders the opportunity each year to register their views on the performance of the entire Board of Directors.

## **Required Vote**

Approval by the affirmative vote of the holders of at least 75% of the outstanding shares of common stock of the Company will be required to adopt the amendment to our Certificate of Incorporation so that Directors will be elected annually to one-year terms. Abstentions and broker non-votes will have the effect of votes against this proposal.

If approved, we will promptly file the amendment to our Certificate of Incorporation with the Secretary of State of the State of Delaware. Each director has tendered his resignation to be effective upon the approval, if any, of this proposal by the Company's stockholders. If this proposal is not approved, the current classified board structure will remain in place.

**The Board of Directors recommends a vote "FOR" the proposal to approve and adopt the amendment to our Certificate of Incorporation to provide for the annual election of Directors beginning with the 2014 Annual Meeting.**

## PROPOSAL 2

### APPROVAL OF AN AMENDMENT TO OUR CERTIFICATE OF INCORPORATION TO ELIMINATE CUMULATIVE VOTING

The Company's Certificate of Incorporation provides that, when electing directors, stockholders may exercise cumulative voting rights. We are asking you to adopt and approve an amendment to our Certificate of Incorporation that would eliminate cumulative voting commencing with our 2014 Annual Meeting. The complete text of the proposed amendment to our Certificate of Incorporation to eliminate cumulative voting for the election of directors is attached as Appendix B.

#### Background of the Proposal

Article Twelfth of the Certificate of Incorporation currently provides that when electing directors, stockholders may exercise cumulative voting rights. Under cumulative voting, each holder of any class or series of stock is entitled to that number of votes equal to the number of directors being elected multiplied by the number of shares held. Each stockholder may give one candidate all the votes such stockholder is entitled to cast or may distribute such votes among as many candidates as such stockholder chooses. As a result, a stockholder who holds less than a majority of the outstanding shares of voting stock may be able to cumulate his or her vote and elect one or more Directors. The ability of a minority stockholder to disproportionately influence the composition of the Board is amplified if the Company's classified board system is eliminated.

Our Board of Directors has determined that eliminating cumulative voting will best ensure that stockholder interests in director elections are fairly and equitably represented consistent with actual stock ownership percentages. The Board believes that each director should only be elected if such director represents the interest of all stockholders, rather than the interests of a minority or special constituency, and therefore should only be elected if he or she receives a plurality of the votes cast. The elimination of cumulative voting for directors is consistent with the Company's desire to more closely align stockholder interests and Board accountability. Following the 2013 Annual Meeting, to be more responsive to stockholder concerns, the Board adopted a policy requiring any director who fails to receive a majority of votes cast to resign.

#### Required Vote

Approval by the affirmative vote of the holders of at least 75% of the total voting power of all outstanding shares of common stock of the Company will be required to adopt the amendment to our Certificate of Incorporation so that cumulative voting in director elections will be eliminated beginning at the 2014 Annual Meeting.

If approved, we will promptly file the amendment to our Certificate of Incorporation with the Secretary of State of the State of Delaware.

**The Board of Directors recommends a vote "FOR" the proposal to approve and adopt the amendment to our Certificate of Incorporation to eliminate cumulative voting in director elections beginning with the 2014 Annual Meeting.**

## PROPOSAL 3

### ELECTION OF DIRECTORS

The Certificate of Incorporation of the Company provides for the division of the Board of Directors into three classes as nearly equal in number as possible, with the term of one class expiring each year. As set forth above in proposal 1, the Company is

recommending that the stockholders adopt and approve an amendment to our Certificate of Incorporation that provides that all Directors elected at or after the 2014 Annual Meeting be elected on an annual basis.

Contingent on approval by the stockholders of proposal 1 above, all five members of the Board as of commencement of the Annual Meeting, Douglas A. Virtue, Robert A. Virtue, Michael DiGregorio, Robert Lind and Donald Rudkin have tendered resignations to be effective when the Board is declassified. The sole purpose of these resignations is to immediately eliminate the current Board since the adoption of proposal 1 would not serve to shorten the term of any presently serving director. By resigning, the directors are then eligible to be re-elected to one year terms, rather than phasing out the Class II and Class III directors over the next three years. If proposal 1 is not adopted by the stockholders, the resignations will not occur and the classified structure will continue.

If the proposal to declassify the Board does not pass then the stockholders will consider the election of one director – Mr. Lind as the Class I Director with a three-year term that expires in 2017 – and the existing terms of Messrs. Douglas Virtue, Robert Virtue, DiGregorio and Rudkin will continue. Alternatively, if the proposal to declassify the board passes then the resignation of the existing directors will be effective and stockholders will consider the election of all five directors for one-year terms ending in 2015.

It is intended that the proxies solicited by this Proxy Statement will be voted in favor of the election of all nominees to the Board of Directors, unless authority to do so is withheld. Should any of such nominees be unable to serve as a director or should any additional vacancy occur before the election (which events are not anticipated), proxies may be voted for a substitute nominee selected by the Board of Directors. In the event that any person other than the nominees named below should be nominated for election as a director and cumulative voting rights are in effect, the proxies may be voted cumulatively for less than all of the nominees.

The following table sets forth certain information with respect to each of the nominees, including the four directors who will continue to serve if proposal 1 is not adopted.

**The Board of Directors recommends that you vote “FOR” the election of each of the nominees.**

**PROPOSAL 4**

**ADVISORY RESOLUTION ON EXECUTIVE COMPENSATION**

In accordance with Section 14A of the Exchange Act, stockholders are able to vote to approve, on an advisory basis, the compensation of the Company's named executive officers. Consistent with the votes cast at our 2011 Annual Meeting, the Company is seeking your advisory approval of compensation every three years. The next such advisory vote on executive compensation will occur at our 2017 Annual Meeting. The Compensation Committee has structured our executive compensation program to achieve the following key objectives: 1) attract, motivate and retain highly qualified executives; 2) link total compensation to stockholder returns; 3) reflect individual contributions to the performance of the Company; 4) ensure appropriate balance between long-term value creation and short-term performance by including equity as part of total compensation; and 5) maintain internal fairness and morale by comparing executive compensation, including perquisites and non-cash benefits, to the aggregated average compensation and benefits of the Company's top 25 managers.

Stockholders are urged to read the Summary Compensation Table and other related compensation tables and narrative, which provide specific information on the compensation of the Named Executive Officers. The Compensation Committee and the Board of Directors believe that its policies and procedures are effective in achieving the Company's goals and that the compensation of the Named Executive Officers reported in this Proxy Statement reflects and supports these compensation policies and procedures.

This advisory resolution, commonly referred to as a "say-on-pay" resolution, is non-binding on the Board of Directors. Although non-binding, the Board and the Compensation Committee will review and consider the voting results when making future decisions regarding our executive compensation program.

Based on the above, the Company is asking stockholders to approve the following advisory resolution at the 2014 Annual Meeting:

RESOLVED, that the stockholders of Virco Mfg. Corporation (the “Company”) approve, on an advisory basis, the compensation of the Company’s Named Executive Officers disclosed in the Summary Compensation Table and the related compensation tables, notes and narrative in the Proxy Statement for the Company’s 2014 Annual Meeting.

**The Board of Directors recommends a vote “FOR” the approval of the compensation of the Company’s named executive officers.**

## **PROPOSAL 5**

### **RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Company’s Audit Committee has selected Ernst & Young LLP, independent registered public accounting firm, to audit its financial statements for the fiscal year ending January 31, 2015, and recommends that the stockholders vote for ratification of that appointment. The Company’s Audit Committee has reviewed the professional services provided by Ernst & Young LLP, as described above, has considered the possible effect of such services on the independence of the firm, and has determined that such services have not affected Ernst & Young LLP’s independence. Notwithstanding this selection, the Audit Committee, at its discretion, may direct the appointment of new auditors at any time during the fiscal year if the Audit Committee determines that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of a majority of the votes cast is required to ratify the Audit Committee’s selection. The Company is not required to submit the selection of the independent registered public accounting firm to the stockholders for approval, but is doing so as a matter of good corporate governance. If the stockholders reject the selection, the Board of Directors will reconsider its selection.

**The Board of Directors recommends a vote “FOR” the ratification of the appointment of Ernst & Young LLP as the Company’s independent registered public accounting firm for fiscal 2014.**

## **PROPOSAL 6**

### **APPROVAL OF AN AMENDMENT TO OUR 2011 STOCK INCENTIVE PLAN**

The stockholders of the Company approved adoption of our 2011 Stock Incentive Plan at the 2011 Annual Meeting. The 2011 Stock Incentive Plan reserved for issuance not more than 1,000,000 shares of Company stock over its term, which expires in 2021, and is the only plan under which equity-based compensation awards may be granted to officers and employees. At this time, approximately 350,000 shares are still available under the 2011 Stock Incentive Plan.

The 2011 Stock Incentive Plan provides directors, officers, employees, and other service providers with incentives for the future performance of services that are linked to the profitability of the Company’s businesses and to the interests of its stockholders. It is also intended to encourage officers, employees and non-employee directors to own Company stock, so that they may establish or increase their proprietary interest in the Company and align their interests with the interests of Company stockholders. The Company continues to believe that its long-term interests are best advanced by aligning the interests of its key employees, non-employee directors, and other service providers with the interests of its stockholders and would like to preserve its ability to make additional grants.

In light of the limited number of shares that remain available for issuance under the 2011 Stock Incentive Plan and in order to allow the Company additional resources to attract, retain and motivate employees, officers, non-employee directors and other service providers of exceptional abilities, the Board of Directors based on the recommendation of the Compensation Committee has approved, and is asking the stockholders to approve, an amendment to the 2011 Stock Incentive Plan to make an additional 1,000,000 shares of Company stock available for issuance. The Board of Directors believes that stockholder approval of this proposal 6 is necessary to remain competitive in our industry, will provide an important long-term component to the Company’s overall compensation plan, and that the proposal is consistent with the Company’s compensation policy for senior management and employees.

The complete text of the proposed amendment to the 2011 Stock Incentive Plan to increase the number of issuable shares is attached as Appendix C to this Proxy Statement.

**Required Vote**

Approval by the affirmative vote of the holders of a majority of the votes cast will be required to adopt our Amended and Restated 2011 Stock Incentive Plan.

**The Board of Directors recommends a vote “FOR” the proposal to approve and adopt the Amended and Restated 2011 Stock Incentive Plan to increase the number of shares issuable thereunder from 1,000,000 shares to 2,000,000 shares of Company stock.**

## Outstanding Equity Awards at Fiscal Year-End 2013

The following table sets forth the Named Executive Officers' outstanding equity awards as of the end of fiscal 2013.

Name and Title	Stock Awards		
	Year of Award	Shares or Units of Stock that have not Vested (#)(1)	Market Value of Shares or Units of Stock that have not Vested (\$)(2)

For the 24,000 RSUs remaining from the June 19, 2012 RSU award there are four remaining vesting dates: June 19, 2014, June 19, 2015, June 19, 2016 and June 19, 2017.

(2) All year-end dollar values were computed based on the fiscal year-end closing price of \$2.62 per share of common stock less the \$0.01 par value of the share of Common Stock that is paid by the Named Executive Officer.

## Retirement Benefits

The Company maintains two defined benefit pension plans in which the Named Executive Officers participate, the Virco Employees Retirement Plan ("Employee Plan") and the Virco Important Performers Retirement Plan ("VIP Plan"). The Company and its subsidiaries cover all employees under the Employee Plan, which is a qualified noncontributory defined benefit retirement plan. Benefits under the Employee Plan are based on years of service and career average earnings. The Company also provides a supplementary retirement plan for certain key employees, the VIP Plan. The VIP Plan provides a benefit up to 50% of average compensation for the last five years in the VIP Plan, offset by benefits earned under the Employee Plan. Effective December 31, 2003, the Company froze all future benefit accruals under the plans. Employees can continue to vest under the benefits earned to date, but no covered participants will earn additional benefits under the plan freeze.

## Potential Payments upon Termination or Change-in-Control

The Company does not have employment agreements with any of the Named Executive Officers. Retirement, death, disability and change-in-control events do not trigger the payment of compensation to the Named Executive Officers that is not available to all salaried employees (including the amounts included in the "Retirement Benefits" discussion above). Named Executive Officers do not have a contractual right to receive severance benefits.

As noted in "Post-Employment and Other Events," pursuant to the Company's 2007 and 2011 Stock Incentive Plans, the vesting of all outstanding stock awards is accelerated upon a change-in-control. In addition, under the Virco Important Performers (VIP) Plan, the vesting of retirement benefits is accelerated upon the occurrence of a change-in-control or the death of the participant, however, all of the Named Executive Officers are already fully vested in their retirement benefits under the VIP Plan. Change-in-control is defined as a party other than the members of the Virtue family accumulating 20% or more of the Company's common stock.

## DIRECTOR COMPENSATION

Directors who are also officers of the Company receive no additional compensation for their services as directors. The Company's non-employee directors receive an annual retainer of \$62,500 composed of (i) \$37,500 in the form of quarterly cash payments and (ii) \$25,000 in the form of restricted stock granted each year on the date of the Annual Meeting of Stockholders. In addition, each non-employee director who serves as a lead director or as the Chair or member of a Board committee also receives an additional annual retainer for his or her services. The lead director receives \$20,000 in cash per year. The Audit Committee Chair receives \$7,500 per year, and Audit Committee members receive \$4,500 per year. Chairs of the Compensation Committee and the Corporate Governance and Nominating Committee each receive an additional \$5,000 (which will be eliminated when the Lead Director takes over as Chair of the Corporate Governance and Nominating Committee) and the members of these committees each receive \$3,000 per year. Directors are also reimbursed for travel and related expenses incurred to attend meetings. The Company has also established a pension plan for non-employee directors who have served as such for at least 10 years, providing for a series of quarterly payments (equal to the portion paid to the non-employee directors' annual service fee) for such director's lifetime following the date on which such director ceases to be a director for any reason other than death. Effective December 31, 2003, the Company froze all future benefit accruals under the pension plan.

The Company's guidelines with regard to common stock ownership by directors are for each director to own common stock with a market value of three times or more the annual cash retainer.

The following table sets forth the compensation paid to each independent director who served during fiscal 2013:

Name and Position	Fees Earned or Paid in Cash \$(1)	Stock Awards \$(2)	Nonqualified Deferred Compensation Earnings (\$)	All Other Compensation \$(3)	Total (\$)

Each director shall serve for a term ending on the date of the next ~~third~~ annual meeting following their election or appointment~~the annual meeting at which such director was elected~~; provided, however, that the directors first elected to Class I shall serve for a term ending on the date of the annual meeting next following the end of the calendar year 1984, the directors first elected to Class II shall serve for a term ending on the date of the second annual meeting next following the end of the calendar year 1984, and the directors first elected to Class III shall serve for a term ending on the date of the third annual meeting next following the end of the calendar year 1984. The foregoing notwithstanding, each director shall serve until his successor shall have been duly elected and qualified, unless he shall resign, become disqualified, disabled or shall otherwise be removed.~~

~~At each annual election, the directors chosen to succeed those whose terms then expire shall be of the same class as the directors they succeed, unless, by reason of any intervening changes in the authorized number of directors, the Board shall designate one or more directorships whose term then expires as directorships of another class in order more nearly to achieve equality of number of directors among the classes.~~

~~Notwithstanding the rule that the three classes shall be as nearly equal in number of directors as possible, in the event of any change in the authorized number of directors each director then continuing to serve as such shall nevertheless continue as a director of the class of which he is a member until the expiration of his current term], or his prior death, resignation or removal. If any newly created directorship may, consistently with the rule that the three classes shall be as nearly equal in number of directors as possible, be allocated to one of two or more classes, the Board shall allocate it to that of the available classes whose term of office is due to expire at the earliest date following such allocation.”~~
