

**AGILE COMBOS** - *For Collaborative Learning*

# Agile™ and Collaborative Combo Units

In addition to Virco's traditional combo units, a variety of mobile Agile Combos featuring front-wheel, pressure-activated "sit lock" casters are also available. These units are perfect for collaborative breakout sessions. Units with hex-shaped collaborative tops can easily be configured into 3, 4 or 6 student work groups. Three seating styles are offered, each with the popular soft-ergonomic flexing back support featured in all of Virco's Analogy, ZUMA and Sage Series seats. Units come standard with rubber base glides on rear legs to help minimize movement.

**Easy to Handle**  
All three seating styles have a convenient hand hold making it easy to grab and go.

**1 Unique Top Shape**

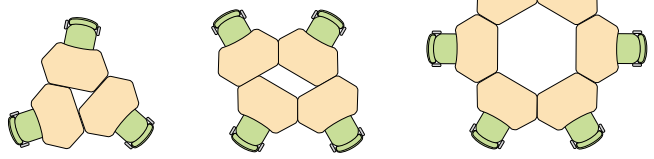

**Welded Cross Brace**  
Heavy-gauge cross brace adds strength and durability to combos when being moved.

**Optional Bookrack**  
Models are available with or without a wire bookrack.

**3 Rubber-Base glides**

**2 Sit-Lock Casters**

## Variable Groupings

## Agile Combo Features

**1** Virco's unique hex-shaped, contoured collaborative top makes variable groupings of 3, 4 and 6 students easy and intuitive. Tops are available in high-pressure laminate or FRW™ hard plastic. See back page for more writing surface options.

**2** Twin-wheel, nylon casters are what make these units truly agile. Their dual surface design delivers smooth movement when you need it and the "sit-lock" feature secures the unit in place when the seat is occupied.

**3** Rubber-based rear glides ensure that the combo unit stays firmly in place until it's lifted for moving.

## Three Product Families With Agile Functionality

**Analogy™ Agile Combo**

**ZUMA® Agile Combo**

**Sage™ Agile Combo**

## Civitas™ Frame Combos With Agile Functionality

Civitas styled frames bring an additional level of elegance to Virco’s selection of combo units. This gently arched leg frame can be outfitted with any of Virco’s four very popular seat styles - Civitas Wood, Analogy, ZUMA, or Sage, however, our featured Civitas Wood model, with its contoured maple veneer plywood seat and back, is only available on the Civitas model and is now available in 13 stain finish colors.

**Civitas Wood**

**Analogy**

**ZUMA**

**Sage**

*Civitas styled combo units with Agile functionality (front wheel casters) are only available with collaborative tops which are offered in FRW™ hard plastic or high-pressure laminate.*

## Agile Combo Options

### Wire Bookrack

Virco's welded on wire bookracks are still a favorite storage option in many schools.

### Backpack Hanger

Desk tops can be equipped with a compact chromed wire backpack hanger.

### Cup Holder

Avoid spills with a recessed cup holder. This option is only available on high-pressure laminate collaborative tops.

## Two Agile Top Shapes

Agile combo units are available with a collaborative top or a bowfront top. Each shape is available with a high-pressure laminate writing surface with a beveled, lacquered edge, or as a Fortified Recycled Wood (FRW™) hard plastic writing surface.

### Collaborative

Overall dimension: 32<sup>1</sup>/<sub>2</sub>" wide x 19<sup>7</sup>/<sub>8</sub>" deep

### Bowfront

Overall dimension: 25<sup>3</sup>/<sub>8</sub>" wide x 19<sup>3</sup>/<sub>8</sub>" deep

## Custom Logo Tops

- **Combos customized with your artwork!**
- **Artwork molded permanently into top.**
- **Tops made from durable, scratch-resistant Fortified Recycled Wood™ hard plastic.**

With custom-imprinted hard plastic desk tops, your classroom furniture can really make a statement! Virco's advanced compression-molding technology now enables us to embed logos, photographic images and other artwork directly and permanently into our proprietary Fortified Recycled Wood™ hard plastic work surfaces. The possibilities are virtually limitless. All artwork is molded directly into the top for long-lasting image quality.

## Colors

Virco offers a large selection of colors for frame finishes, wood stains, high-pressure laminates, hard plastic patterns, and over 35 soft plastic colors. See our Virco Colors brochure or talk to a Virco sales representative for information on available color options for the products presented in this brochure.

## Ask Us About Our Virco Lifetime Warranty

Virco will repair or replace, at its option, any Virco furniture or equipment product which proves to be defective in original material or workmanship as long as the product is owned by its original purchaser. This is your sole and exclusive remedy. This warranty covers products manufactured after January 1, 2014 and is subject to the qualifications as stated on Virco's website at [www.virco.com](http://www.virco.com).

Virco Inc. • 2027 Harpers Way • Torrance, CA 90501 • 1-800-44-VIRCO • [www.virco.com](http://www.virco.com)
