

VIRCO MOBILE TABLES

VIRCO MOBILE TABLES

Facility managers know that mobile tables offer the fastest, most efficient option for converting multi-purpose facilities to food service and meeting configurations. And though they represent a substantial furniture investment on a per seat basis, mobile tables pay lasting, labor-saving dividends in high-traffic venues where quick turnarounds are essential. That's why Virco's mobile tables are best sellers in schools, colleges, convention centers and related institutions throughout the nation.

Oval & Ellipse Mobile Tables

Virco offers a selection of new oval and ellipse mobile tables with benches or stools. All Virco oval and ellipse mobile tables have specially designed torsion bars for smoother, easier operation. They also feature up-lock and down-lock mechanisms, as well as heavy-duty wheel assemblies.

Other Features Include:

- A variety of top and bench laminate colors
- A rainbow of plastic stool colors
- Additional laminates and custom logos
- Virco's optional Sure Edge® finish

BENCH SEATING

Bench seating can accommodate as many as 12 smaller students or 8 adults.

Durable Aluminum Stool Mounts:

Virco's ABS plastic stools feature a multi-rib design and a die-cast aluminum mounting bracket for strength and durability. Stools are secured to their columns by an insert washer and a hex bolt with an aircraft lock nut.

Figure A

The 3/4" thick top construction features a high-pressure laminate surface, a high-density particleboard core, and a backing sheet to help prevent warping.

Clearance between table tops helps prevent pinched fingers.

Edges are protected by T-mold edge banding. Optional Sure Edge® finish in select colors available.

Virco's sturdy ABS plastic stools provide unparalleled strength and durability (see Figure A).

A torsion bar facilitates easy table folding and unfolding.

Each middle leg has a 1" rubber crutch tip, reinforced with steel inserts for longer wear.

Each seat has its own direct-to-floor load-bearing column, providing its own support without cross members running in between seats.

3 1/2" swivel casters have ball-bearing raceways for easy mobility.

Mobile Bench & Stool Tables

Our classic mobile tables with built-in seating are strong on convenience and flexibility. Specially designed torsion bars allow users to fold and unfold our bench and stool tables quickly and smoothly. They also feature up-lock and down-lock mechanisms, as well as heavy-duty wheel assemblies. These features allow for simple setting-up and tearing-down.

Other Features Include:

- Locking mechanism for safe table movement
- A variety of top and bench laminate colors
- A rainbow of plastic stool colors
- Additional laminates and custom logos
- Virco's optional Sure Edge® finish

Service Life Recommendation

In order to extend the torque life of mobile bench and stool tables with torsion bars, Virco recommends that customers store their tables in an upright position when not in use.

See page 14 and 15 for a selection of wheelchair and ADA mobile table models.

Convertible Bench Table

Virco's convertible bench tables give you the flexibility to quickly accommodate overflow seating or dining situations. Whether used to provide seating with a continuous backrest or as smaller versions of our popular mobile bench tables, convertible bench tables bring exceptional versatility to multi-purpose applications.

Other Features Include:

- A 15" bench height, 27" top height (Grades 1 through 5)
- A 17" bench height, 29" top height (Grade 6 through Adult)
- A variety of bench table colors (black frame, chrome legs)
- Additional laminates and custom logos
- Virco's optional Sure Edge® finish

Model	Bench Height	Table Height	Seats at 18" spacing	Seats at 24" spacing	Top Size
MTC6	15" or 17"	25" or 27"	4	3	15" x 72"
* MTC6AE	15" or 17"	25" or 27"	4	3	15" x 72"

* MTC8AE	15" or 17"	25" or 27"	5	4	15" x 96"
• MTC8AEB	15" or 17"	25" or 27"	5	4	15" x 96"

* With Sure Edge® top • With Sure Edge® top and benches

* A recent study indicates that children in grades K-3 typically need seating space measuring 18" in width for bench table applications. The space allocation for older children, adolescents and adults gradually increases up to a typical measurement of 24" in width.

Ganging Devices

Virco convertible bench tables can be ganged to create a two-sided bench table when tables are ordered with the factory-installed ganging device.

Add "G" to the end of the model number when ordering the factory installed ganging device to any convertible bench table model.

Bench, Table and Storage

Virco's versatile convertible bench tables can provide bench-style seating with a continuous backrest.

Convertible bench tables can also work as smaller versions of Virco's mobile bench tables.

For storage, simply fold the convertible bench table into its closed position, then wheel it away.

Mobile Tables

Virco's DuoFold mobile tables include an array of units without attached seating. These round, rectangular, and octagonal shaped tables are frequently used in facilities where stack chairs or folding chairs are readily available to maximize seating capacity around each unit.

Other Features Include:

- A variety of top colors
- Additional laminates and custom logos
- Virco's optional Sure Edge® finish

Mobile Folding Table Features for Model MT3096 & MT30144

Clearance between table tops helps avoid pinched fingers.

Torsion bars help tables fold and unfold smoothly.

An up-lock mechanism holds tables in place while folded, and a down-lock mechanism holds tables in place when unfolded.

Model	Top Size
MT3096	30" x 96"
* MT3096AE	30" x 96"
MT30144	30" x 144"
* MT30144AE	30" x 144"

* With Sure Edge® top

MT30144

The 3/4" thick top construction features a high-pressure laminate surface, a high-density particleboard core, and a backing sheet to help prevent warping.

An automatic safety lock helps protect hands. The lock must be released before the table fully opens.

PVC T-mold edge banding for added safety. Optional Sure Edge® finish in select colors available.

Contourfold tables feature an all-steel undercarriage

Clearance between table tops helps prevent pinched fingers. Vertical hinges prevent food build-up.

Folded tables are easily transported on 3 1/2" casters with ball-bearing raceways.

Mobile Folding Table Features

Tables feature a safety device that helps avoid pinched fingers during set-up. The device must be manually released before the table can be completely unfolded.

Tables roll on four 3 1/2" swivel casters, reducing marring and damage to floors.

Wheelchair and ADA Compliant Mobile Tables

Virco's diverse furniture and equipment models for K-12 schools and higher learning venues include a selection of wheelchair-accessible and ADA height mobile tables. These tables are built to the same quality standards as Virco's standard-height mobile tables. To meet Federal ADA standards and guidelines, tables must provide the following dimensions for each wheelchair: 30" minimum width of unobstructed clearance; 19" minimum depth of unobstructed clearance; a minimum top height range of 28" to 34"; and 27" of vertical knee clearance.

Your Virco representative would be happy to help you evaluate our array of wheelchair-accessible tables and desks for your campus.

Virco Advantages	Virco Mobile Tables	Other Mobile Tables
STRONGER BENCH TABLES	Our bench tables feature 3 support bars per bench, providing extra strength and durability.	Competitors provide only 2 bench support bars, leading to bowing/breaking.
SUPERIOR STOOL TABLES	Our ABS stools have a multi-rib design, a die-cast aluminum mounting bracket, and multiple colors.	Competitor stools are only made from soft plastic.
SECURED SHIPPING	Our mobile tables ship on custom pallets to reduce damage during transport.	Competitors "roll" their tables onto trucks, allowing for more damage.

Additional Virco Benefits:

AFFORDABLE SHIPPING - Tables ship from both Virco factories in California and Arkansas, reducing freight cost.

MEETS ADA GUIDELINES - Virco mobile tables designated as ADA compliant meet the code of federal regulations for wheelchair accessibility per the ADA standards for accessible design (28 cfr part 36).

GREENGUARD® CERTIFIED - Virco mobile tables have earned GREENGUARD® Children and Schools Program certification.

UL® APPROVED - Virco mobile tables with torsion bars are UL® listed.

MADE IN THE USA - Virco mobile tables are made in the USA.

Virco's Mobile Tables are in stock and ready to ship.

Protective cardboard and banding to the pallet minimize freight damage.

Our Mobile Tables ship on custom-built wooden pallets for easy handling and to reduce damage. During transport, the weight of the table is supported by its frame and the pallet, nearly eliminating any harm caused to the casters.

CUSTOM LOGO TOPS

Georgia's Cass High School furnished their cafeteria with Virco stool tables and round mobile tables featuring a Grey Nebula laminate with custom imprinted logos. Ask a Virco representative about custom logos and additional laminates for mobile tables (minimum quantities apply).

Sure Edge®

Tops and benches can be customized with a Sure Edge® finish that provides a chemically bonded, water-resistant seal and prevents food particles from lodging in edges.

Virco Product Certification

Virco will repair or replace at its option any Virco furniture or equipment product which proves to be defective in original material or workmanship as long as the product is owned by its original purchaser. This warranty covers products manufactured after 1/1/2014 and is subject to certain qualifications and exclusions. Please contact customer service for a copy of the complete warranty at 800-448-4726.

UL/Greenguard is a third-party certification for low-emitting products.

Virco is proud to be the first manufacturer to earn UL/Greenguard Children & Schools certification for classroom furniture.

For more on Greenguard certification, or to download printable certificates for Virco's Greenguard-certified products, visit www.greenguard.org. We look forward to continuing our industry-leading work with Greenguard!

Virco's U.S. manufacturing facilities – and American Workers – expertly process wood, plastic and steel to offer you thousands of dependable furniture and equipment choices with excellent lead-times and a rainbow of color and finish choices.

Virco's mobile tables are UL certified. Testing at UL certified test labs for tip over, vertical stability, top, bench and seat load test, wheel securement test, as well as radiant flame spread test on all of our top, bench and molded seat assemblies, assure Virco is providing customers the safest and highest value available in mobile tables.
