Sure Edge®

Durable and long-lasting protection

Virco's Sure Edge optional finish can be applied to a variety of tables, student desks, and combo units. Its seamless urethane-based edges are applied using an innovative antibacterial process, ensuring exceptional durability. The water-resistant sealant is specifically designed to prevent the accumulation of food, moisture, and dirt in the crevices. This chemically bonded seal is long-lasting and was created to withstand fading, peeling, and flaking.

Sure Edge is a perfect solution for any campus, from cafeterias and commons to classrooms and media centers.

Features

- Available in a variety of colors
- Resistant to flaking and peeling
- Fade resistant even in direct sunlight
- For cafeteria & classroom tables, student desks and combo units
- Prevents food, moisture and dirt from getting trapped between spaces
- Urethane-based and water-resistant protectant seals top edges to prevent warping

Applications

Virco's Sure Edge finish can be applied to tables, desks, and combo units, offering versatile furniture solutions for your campus and beyond. Whether you need it for your cafeteria or classrooms, Sure Edge provides long-lasting, moisture-resistant protection in a variety of colors.
