TEXT® Series Tables & Desks

TEXT Series delivers an elegant and versatile solution for the many settings of modern learning environments, from classrooms and offices to media centers and training rooms. Designed by the award-winning team of Peter Glass and Bob Mills, TEXT Series tables and desks pair refined style with long-lasting performance for a collection that offers numerous possibilities.

TEXT Series tables and desks meet the demands of students and educators alike. Choose technology tables for a convenient approach to handling cables and electrical access. For multi-functional rooms, tilt-top tables fold vertically, roll away and nest together for easy storage. Seminar tables are narrow for best use of space, and multi-use tables offer the flexibility to adapt for the occasion. Single, double and instructor help desks support one-on-one and group collaboration.

Customize your TEXT table or desk with a variety of options and accessories. Power and data ports allow users to stay connected, while wire management and storage solutions maintain a clutter-free work surface. Casters enable easy mobility throughout the classroom, creating a flexible and adaptable learning space.

Single Release Mechanism

TEXT Tilt-Top Tables have a convenient single-release mechanism for easier folding and unfolding.

Space-Saving Tilt-Top Solutions

Bring flexibility to your environments with TEXT® Series Tilt-Top Tables. For classrooms and multi-purpose spaces that require variable furniture set-ups, Tilt-Top Tables deliver space-saving solutions and flexibility with tables that fold vertically, roll away, and neatly nest together for easy storage.

TEXT® for Technology

TEXT tables for technology were designed to offer functionality while supporting modern learning. Technology tables feature built-in grommets, wire management trays and optional power and data ports to support student needs, while a modesty panel serves as added privacy. Hinged wire-trough tables offer enhanced wire and cable management and an uninterrupted work surface.

Seminar Tables

TEXT® Series seminar tables, designed for flexibility and durability, feature an elevated cross-brace and a narrow footprint, creating a sleek and stylish space-saving solution. Ideal for training rooms and seminar halls, these tables offer an array of accessories ranging from casters and modesty panels to power ports and ganging devices.

Classroom Desks

Designed for all types of student learning, TEXT® Series classroom desks provide the flexibility to work independently or collaboratively with various accessories and technology. Single-student and two-student desk options support multiple learning styles while various desk sizes, adjustable heights and wheelchair accessible models allow classrooms to accommodate all students inclusively.

Multi-Use Tables

With a variety of table sizes, heights and optional accessories, TEXT® Series tables offer adaptability throughout classrooms, learning commons and media centers, making these multipurpose tables perfect for any environment.

Instructor Help Desks

TEXT® Series Help Desks enable educators to thrive with workstations that support instruction and collaboration in the classroom. A sleek and minimal design allow teachers to move freely about the space, while a peninsula end offers easy one-on-one instruction with students.
