Topaz® Series

Smart Solutions for Today's Classrooms

VIRCO®

Equipment for Educators™

Sleek Design Meets Innovative Versatility

Designed by the award-winning team of Peter Glass and Bob Mills, the Topaz Series collection combines minimalist, clean designs with intelligent functionality delivering innovative furniture for today's evolving classrooms.

The Topaz collection includes a range of pieces from teachers' desks and sit-to-stand workstations to classroom carts and mobile storage solutions – all equipped with casters to ensure that teachers and students can easily reconfigure the classroom to suit different learning activities and teaching styles. Perfect for any classroom, the Topaz Series offers functional and stylish solutions to support modern learning environments.

Teacher Desks

The Topaz Series Teachers' Desks were designed with teachers in mind. Single or double-pedestal models feature generous storage, while integrated wire management conveniently keeps wires out of the way for a clutter-free workspace. Casters allow for smooth classroom reconfigurations and securely lock to keep the desk in place when needed. A multi-functional smart drawer offers lockable storage, built-in power and USB ports for worry free charging of digital devices. The unique tip-out drawer allows teachers to easily access mobile phones – all while being able to keep devices plugged in.

Elevate Your Space

Topaz Series Teachers' Desks and accessory tables deliver flexibility and adaptability to support educators in today's dynamic learning environments.

This versatile companion to the teacher's desk can be used as an additional workspace for grading work, or easily transformed as a space for one-on-one collaboration with students.

Seamless nesting design

A 1⅛" thick high-pressure laminate top is easy-to-maintain and keep clean.

Tip-out drawer allows for easy access to devices while being able to keep them plugged in.

Integrated power features 2 USB and 2 power ports.

Large file drawer accommodates letter and legal size hanging files, which glide easily on full-extension slides.

Steel modesty panel includes a wire management trough for organizing wires and cables.

Center drawer offers additional storage with locking capabilities for added privacy.

All drawers in each pedestal are controlled by a centrally positioned core-removable lock.

Casters allow for smooth classroom reconfigurations and securely lock to keep the desk in place when needed.

Sit-to-Stand Workstations

Designed for multiple teaching styles, the Topaz Series Sit-to-Stand Workstations feature an easy-to-use pneumatic height adjustment to accommodate a wide range of activities. Easily transition from seated, focused work to standing classroom instruction and everything else in between. Available in single or double configurations, each workstation includes a spacious work surface and optional storage like a center drawer or tote tray – ideal for keeping belongings concealed and the workspace organized. These versatile workstations are the perfect solution for today's active classrooms.

Classroom Carts

Topaz Series Classroom Carts conveniently store, organize and transport all essentials for teachers and students alike. Casters offer quick and smooth mobility from one task to the next – two locking casters keep the cart in place when necessary. Spacious shelves offer ample storage, while the smooth flat top can be used as a workspace. Guide rails on the lower shelves accommodate 3", 6" and 12" tote trays so instructors can interchange trays based on their needs.

Mobile Storage Cabinets

The Topaz Series Mobile Storage Cabinets offer an array of styles, sizes and configurations. These durable and functional mobile storage units are available with either adjustable shelves, removable tote trays or pull-out drawers. All models are equipped with two swivel casters for smooth mobility, while two locking casters keep units in place when needed. Make classroom organization easy with the Topaz Series comprehensive line of storage solutions.

Mobile Bookcases

Topaz Series Mobile Bookcases deliver efficient storage solutions for the classroom and beyond. Casters offer flexibility to rearrange when needed, while convenient front-locking casters keep the bookcase in place when not in motion. Shelves adjust in ½" increments – maximizing storage and providing a customizable solution for any classroom setting. Built to last, their clean design and mobility make them a smart choice for classrooms and shared spaces.
