The Board of Directors has fixed the close of business on May 1, 2020 as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting and any adjournments and postponements thereof. To ensure that your vote is recorded promptly, please vote as soon as possible, even if you plan to attend the Annual Meeting over the Internet. Most stockholders have three options for submitting their vote: (1) via the Internet, (2) by phone or (3) by mail, using the enclosed proxy card. For further details, see your proxy card. If you have Internet access, **we encourage you to record your vote on the Internet.** It is convenient for you, and it also saves the Company significant postage and processing costs.

Based on New York Stock Exchange rules, without instructions from the beneficial owner, brokers are only permitted to vote on proposal 3, as discussed in more detail in the Proxy Statement. Therefore, if your shares are held through a brokerage firm, bank or other nominee, they will not be voted on the election of directors or the advisory vote to approve executive compensation, unless you provide voting instructions to your brokerage firm, bank or other nominee.

RECORD DATE AND VOTING

The close of business on May 1, 2020, has been fixed as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting. On that date there were 15,713,549 shares of the Company’s common stock, par value \$.01 per share (“common stock”), outstanding. All voting rights are vested exclusively in the holders of the Company’s common stock. Each share of common stock is entitled to one vote on any matter that may be presented for consideration and action by the stockholders, except that as to the election of directors, stockholders may cumulate their votes. Because two directors are to be elected, cumulative voting means that each stockholder may cast a number of votes equal to two times the number of shares actually owned. That number of votes may be cast for one nominee, divided equally among each of the nominees or divided among the nominees in any other manner. Stockholders wishing to cumulate their votes should make an explicit statement of their intent by so indicating in writing on the proxy card.

Below is a summary of the vote required for adoption of each proposal and the respective effect of abstentions and broker non-votes. For more detailed information see the discussion of the respective proposal below.

Proposal	Vote Required for Approval of Proposal	Effect of Abstentions	Effect of Broker Non-Votes
Election of directors	Plurality of shares voted	No effect	No effect
Advisory resolution on executive compensation	Majority of shares voted	Vote “Against”	No effect
Ratification of Deloitte & Touche LLP	Majority of shares voted	Vote “Against”	Brokers have discretion to vote

A broker non-vote occurs when a bank, broker or other nominee does not have authority to vote on a particular item without instructions from the beneficial owner and has not received instructions. Brokers only have discretion to vote on “routine” matters, such as the ratification of the selection of the independent registered public accounting firm. Your broker will not have the discretion to vote your shares with respect to the election of directors or the advisory vote to approve executive compensation at the 2020 Annual Meeting unless you provide applicable instructions to do so, since these are not considered “routine” matters. Therefore, we strongly encourage you to follow the voting instructions on the materials you receive.

If no direction is made on your proxy and it is otherwise properly executed, your proxy will be voted **FOR** the election of the director nominees, **FOR** advisory resolution on executive compensation, and **FOR** ratification of Deloitte & Touche LLP. Where a stockholder has appropriately directed how the proxy is to be voted, it will be voted according to the stockholder’s direction. Stockholders wishing to cumulate their votes with respect to the election of directors should make an explicit statement of the intent to cumulate votes by so indicating in writing on the proxy card or when voting by telephone or internet. Stockholders holding shares beneficially in street name who wish to cumulate votes should contact their broker, trustee or nominee.

Any stockholder has the power to revoke its proxy at any time before it is voted at the 2020 Annual Meeting by submitting written notice of revocation to the Secretary of the Company at the Company’s principal executive offices located at 2077 Harpers Way, Torrance, California 90501, by participating and voting remotely at the 2020 Annual Meeting or by filing a duly executed proxy bearing a later date via the Internet, by telephone, or by mail. Please consult the instructions included with your proxy card for how to vote your shares.

CORPORATE GOVERNANCE

Meetings and Independence

Each incumbent director of the Company serving during our latest fiscal year ended January 31, 2020 (referred to as “**fiscal 2020**”) attended at least 75% of the total number of meetings of the Board of Directors and committees on which he served. The Board of Directors held six meetings in fiscal 2020. In addition, the independent directors held two regularly scheduled executive session meetings each fiscal year outside of the presence of management, as well as additional meetings as are necessary. Directors are expected to attend our annual meetings of stockholders when practical to do so, although we have no formal policy with respect to such attendance. All of the directors then in office attended our 2019 Annual Meeting of Stockholders.

The Board of Directors has determined that the following directors, who, as of the Annual Meeting, will constitute a majority of the Board of Directors, are “independent directors” as defined by the NASDAQ Stock Market listing standards: Alexander Cappello, Robert R. Lind, Craig L. Levra, Agnieszka Winkler and Donald Rudkin.

Leadership Structure

Currently, Mr. Robert Virtue serves as Chairman and Chief Executive Officer (“**CEO**”) of the Company. Because the Board also believes that strong, independent Board leadership is a critical component of effective corporate governance, the Board has established the position of lead independent director. The lead independent director position rotates among the independent directors periodically as determined by the independent directors. Currently, Alexander Cappello serves as the lead independent director of the Board. The lead independent director’s responsibilities and authority include providing input to the Chairman and CEO on preparation of agendas for Board and committee meetings and communicating to the Chairman and CEO the substance of the discussions and consensus reached at the meetings of independent directors. The lead independent director also serves as chair of the Corporate Governance and Nominating Committee. In addition, the Company has strong governance structures and processes in place to review and confirm the independence of the Board, eliminate conflicts of interest, and prevent dominance of the Board by management. For example, all directors, with the exception of Robert Virtue, Douglas Virtue and Kathy Virtue Young, are independent as defined by the listing standards of the NASDAQ Stock Market, and all committees are made up entirely of independent directors.

Audit Committee

The Board of Directors has a standing Audit Committee which is composed of Messrs. Rudkin (Chair), Cappello, Levra, Lind and Ms. Winkler. The Audit Committee held four meetings during fiscal 2020. The Audit Committee acts pursuant to a written charter adopted by the Board of Directors. Among other things, the Audit Committee is directly responsible for: the appointment, compensation, retention and oversight of the independent registered public accounting firm; reviewing the independent registered public accounting firm's qualifications and independence; reviewing the plans and results of the audit engagement with the independent registered public accounting firm; reviewing the financial statements of the Company; reviewing the scope of the annual audit by the Company's independent registered public accounting firm; reviewing the audit reports rendered by such independent registered public accounting firm; approving professional services provided by the independent registered public accounting firm and approving financial reporting principles and policies; considering the range of audit and non-audit fees; reviewing the adequacy of the Company's internal accounting controls; and working to ensure the integrity of financial information supplied to stockholders. The Audit Committee also has the other responsibilities enumerated in its charter. The Audit Committee's charter is available on the Company's website at www.virco.com in the Investor Relations section of the "Discover Virco" webpage. Each of the Audit Committee members is an "independent director" as that term is defined for audit committee members by the listing standards of the NASDAQ Stock Market. The Board of Directors has determined that each of Messrs. Rudkin, Cappello and Lind qualify as an "audit committee financial expert," as that term is defined in Item 407(d)(5) of Regulation S-K of the Securities Exchange Act of 1934, as amended (the "**Exchange Act**"). The Board reevaluates the composition of the Audit Committee on at least an annual basis to ensure that its composition remains in the best interests of the Company and its stockholders.

Compensation Committee

The Board of Directors has a standing Compensation Committee which is composed of Messrs. Lind (Chair), Cappello, Levra, Rudkin, and Ms. Winkler. The Compensation Committee held five on-site meetings in fiscal 2020. The function of the Compensation Committee is, among other things, to: set the Company's compensation policy and administer the Company's compensation plans; make decisions on the compensation of key Company executives (including the review and approval of merit/other compensation budgets and payouts under the Company's incentive plans); review and approve compensation and employment agreements of the Company's executive officers; and recommend pay levels for members of the Board of Directors for consideration and approval by the full Board of Directors. The Compensation Committee oversees the design and implementation of the incentives and risks associated with the Company's compensation policies and practices. The Compensation Committee may consult with the Chief Executive Officer and other members of senior management as it deems necessary and engage the assistance of outside consultants to assist in determining and establishing the Company's compensation policies. The Compensation Committee acts pursuant to a written charter adopted by the Board of Directors, a copy of which is available on the Company's website at www.virco.com in the Corporate Governance section of the "Discover Virco" webpage.

Corporate Governance and Nominating Committee

The Board of Directors has a standing Corporate Governance and Nominating Committee which is composed of Messrs. Cappello, (Chair), Lind, Levra, Rudkin, and Ms. Winkler. All members of the Corporate Governance and Nominating Committee are "independent directors" as defined in the listing standards of the NASDAQ Stock Market. During fiscal 2020, the Corporate Governance and Nominating Committee held one on-site meeting. Each of these meetings was held outside the presence of management. The Corporate Governance and Nominating Committee acts pursuant to a written charter adopted by the Board of Directors, a copy of which is available on the Company's website at www.virco.com in the Corporate Governance section of the "Discover Virco" webpage. The Corporate Governance and Nominating Committee recommended to the Board of Directors each nominee the Board selected.

The Corporate Governance and Nominating Committee's functions are to identify and recommend to the Board of Directors from time to time candidates for nomination for election as directors of the Company at the Annual Meeting, recommend the composition of the Board of Directors and its committees, monitor a process to assess Board effectiveness and develop and implement Company corporate governance guidelines. Candidates may come to the attention of the Corporate Governance and Nominating Committee through members of the Board of Directors, stockholders or other persons. Consideration of new Board nominee candidates typically involves a series of internal discussions, review of information concerning candidates and interviews with selected candidates. Candidates may be evaluated at regular or special meetings and may be considered at any point during the year, depending on the Company's needs. In evaluating nominations, the Corporate Governance and Nominating Committee considers a variety of criteria, including business experience and skills, independence, judgment, integrity, the ability to commit sufficient time and attention to Board of Directors activities and the absence of potential conflicts with the Company's interests. The Corporate Governance and Nominating Committee does not establish any specific minimum qualification standards for nominees to the Board of Directors, although from time to time the Corporate Governance and Nominating Committee may identify certain skills or attributes (e.g., financial experience, business experience) as being particularly desirable to meet specific Board of Director needs that may arise. To recommend a prospective nominee for the Corporate Governance and Nominating Committee's consideration, stockholders should submit a candidate's name and qualifications to the Company's Corporate Secretary at 2027 Harpers Way, Torrance, California 90501, Attention: Robert E. Dose, Secretary.

Communications with the Board of Directors

Any stockholder interested in communicating with individual members of the Board of Directors, the Board of Directors as a whole, any of the committees of the Board or the independent directors as a group may send written communications to the Board of Directors, any committee of the Board of Directors or any director or directors of the Company at 2027 Harpers Way, Torrance, California 90501, Attention: Robert E. Dose, Secretary. Communications received in writing are forwarded to the Board of Directors, or the committee or individual director or directors to whom the communication is directed, unless, at his discretion, the Secretary determines that the communication is of a commercial or frivolous nature, is unduly hostile, threatening, illegal, does not reasonably relate to the Company or its business, or is otherwise inappropriate for the Board of Directors' consideration. In such cases, such correspondence may be forwarded elsewhere in the Company for review and possible response. The Secretary has the authority to discard or disregard any inappropriate communications or to take other appropriate actions with respect to any such inappropriate communications.

Code of Ethics

The Company has adopted a Code of Conduct and Ethics for Directors, Officers and Employees (the “Code”). The Code applies to all Company directors, employees and officers, including the Company's Chief Executive Officer and senior financial officers, including the principal financial and accounting officers. The Code is available on the Company's website at www.virco.com in the Investor Relations section of the “Discover Virco” webpage. The Company intends to post any amendments to or waivers under the Code that apply to its Chief Executive Officer, principal financial officer and principal accounting officer on its website. Upon written request, the Company will provide a copy of the Code free of charge. Requests should be directed to Virco Mfg. Corporation, 2027 Harpers Way, Torrance, California 90501, Attention: Robert E. Dose, Secretary.

PROPOSAL 1

ELECTION OF DIRECTORS

The Certificate of Incorporation of the Company provides for the division of the Board of Directors into three classes as nearly equal in number as possible, with the term of one class expiring each year. The Company currently has eight members on its Board of Directors, with two members in Class I, and three members in each of Class II and Class III.

The two nominees at the Annual Meeting for election to the Board as Class I directors, with terms expiring at the 2023 Annual Meeting of Stockholders, are Robert R. Lind and Craig L. Levra.

It is intended that the proxies solicited by this Proxy Statement will be voted in favor of the election of all nominees to the Board of Directors, unless authority to do so is withheld. Should any of such nominees be unable to serve as a director or should any additional vacancy occur before the election (which events are not anticipated), proxies may be voted for a substitute nominee selected by the Board of Directors. In the event that any person other than the nominees named below should be nominated for election as a director and cumulative voting rights are in effect, the proxies may be voted cumulatively for less than all of the nominees.

PROPOSAL 2

ADVISORY RESOLUTION ON EXECUTIVE COMPENSATION

In accordance with Section 14A of the Exchange Act, we are asking stockholders to approve, on an advisory basis, the compensation of the Company's named executive officers. Since 2011, the Company has sought your advisory approval of compensation every three years, and the next such advisory vote on executive compensation will occur at our 2023 Annual Meeting, subject to ongoing review of the frequency of such votes by our Board of Directors.

The Compensation Committee has structured our executive compensation program to achieve the following key objectives: 1) attract, motivate and retain highly qualified executives; 2) link total compensation to stockholder returns; 3) reflect individual contributions to the performance of the Company; 4) achieve appropriate balance between long-term value creation and short-term performance by including equity as part of total compensation; and 5) maintain internal fairness and morale.

Stockholders are urged to read the Summary Compensation Table and other related compensation tables and narrative under "Executive Compensation", which provide specific information on the compensation of the Named Executive Officers. The Compensation Committee and Board of Directors believe that the Company's policies and procedures are effective in achieving our goals and that the compensation of the Named Executive Officers reported in this Proxy Statement reflects and supports these compensation policies and procedures.

This advisory resolution, commonly referred to as a "say-on-pay" resolution, is non-binding on the Board of Directors. Although non-binding, the Board and the Compensation Committee will review and consider the voting results when making future decisions regarding our executive compensation program.

Based on the above, the Company is asking stockholders to approve the following advisory resolution at the 2020 Annual Meeting:

RESOLVED, that the stockholders of Virco Mfg. Corporation approve, on an advisory basis, the compensation of the Company's Named Executive Officers, as disclosed in the Summary Compensation Table and the related compensation tables, notes and narrative in the Proxy Statement for the Company's 2020 Annual Meeting.

The Board of Directors recommends a vote "FOR" the approval of the advisory resolution regarding the compensation of the Company's Named Executive Officers.

PROPOSAL 3

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board selected Deloitte & Touche LLP to serve as the Company's independent registered public accounting firm for the fiscal year ending January 31, 2021, and recommends that the stockholders vote for ratification of that appointment. Notwithstanding this selection or the ratification vote, the Audit Committee, at its discretion, may direct the appointment of new auditors at any time during the fiscal year if the Audit Committee determines that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of a majority of the votes cast is required to ratify the Audit Committee's selection. The Company is not required to submit the selection of the independent registered public accounting firm to the stockholders for approval, but is doing so as a matter of good corporate governance. If the stockholders reject the selection, the Board of Directors will reconsider its selection.

Representatives of Deloitte & Touche LLP will attend the 2020 Annual Meeting through the online meeting format, and will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions from shareholders.

EXECUTIVE COMPENSATION

Objectives and Structure of the Executive Compensation Program

The objectives of the Company's executive compensation program are to: 1) attract, motivate and retain highly qualified executives; 2) link total compensation to stockholder returns; 3) reflect individual contributions to the performance of the Company; 4) achieve appropriate balance between long-term value creation and short-term performance by including equity as part of total compensation; and 5) maintain internal fairness and morale.

In keeping with the entrepreneurial spirit of Virco founder Julian Virtue (1908-1991), Virco's executive compensation package is designed to be simple, frugal, inclusive of all salaried employees and contain substantial components, which are tied directly to shareholder returns.

All salaried Virco employees, including Named Executive Officers (NEOs) and top-, mid-, and entry-level managers, are participants in the Company's **Entrepreneurial Salaried Bonus Plan (ESBP)**. There is no separate compensation plan exclusively for executives. The ESBP was used in establishing bonuses during the fiscal year ended January 31, 2020, as reflected in the Summary Compensation Table below.

The ESBP contains three basic elements:

- 1) Each salaried employee's annual **Base Salary**;
- 2) An annual **Bonus Incentive** denoted as a percentage of the base salary, and;
- 3) For the top 28 Officers and Internal 'Directors' (collectively the Company's top managers), an award of **Restricted Stock Units (RSUs)** reflecting the respective manager's duties and responsibilities.

Each year, the Company's Board of Directors evaluates the prior year's performance and prospects for the coming year. The Compensation Committee, which consists entirely of Independent Directors, then establishes a minimum operating profit threshold. For fiscal 2020, the target was \$3,000,000. Until this target operating profit is met, no participants in the ESBP are eligible for any bonus. The Compensation Committee then recommends the ESBP targets to the full Board for approval as a component of the Company's **Annual Operating and Bonus Plan**.

Once the minimum operating profit threshold is achieved, one-third of any additional earnings **above and beyond** the minimum target are available for distribution to the Salaried Employees. In addition, bonus payouts to NEO's are capped at 50% of their base salary.

The Compensation Committee believes that the ESBP has several important entrepreneurial benefits:

- 1) It ensures that NEO's and managers will only receive a cash bonus if the Company is profitable.
- 2) It provides a simple ratio of distribution that rewards shareholders on a 2:1 ratio compared to management, once the shareholder minimum profit target has been achieved;
- 3) It links all salaried managers into a single incentive plan, appropriate for a vertically-integrated business model in which all managers and all operating units must cooperate to achieve success.

As of 2020, the Company had 140 salaried employees participating in this plan. This included all salaried members of operations, distribution, administration and selected sales and marketing. The majority of salaried sales employees have a separate incentive plan tied directly to the sales volume generated in their own territory, and do not participate in the Entrepreneurial Salaried Bonus Plan.

In 2020, Named Executive Officers received in the aggregate:

- 1) \$889,950 in base salary;
- 2) \$128,000 in ESBP cash payments; and
- 3) Vested in 24,000 RSUs.

The ESBP reaches deep into the Company's ranks. Its structure has the effect of rewarding salaried personnel as the Company's performance improves, and is designed to engage all participants in the risks and rewards of entrepreneurship.

Because of the entrepreneurial nature of this compensation plan and the difficult business conditions of the past decade, no salaried employees received a bonus during the years 2010-2015 or in 2019. During this time, salaried employees received no raises or Cost-of-Living adjustments, other than for promotions, and several executives took voluntary salary decreases.

Management and the Board believe the simple, transparent compensation program of the ESBP rewards shareholders while also incentivizing the teamwork essential in a vertically-integrated manufacturing, sales and service business. The program structure has remained essentially unchanged since the early 1990s. Because employees and shareholders were "all in it together," Management further believes the inclusive nature of this plan contributed to the Company's morale while navigating the challenges of recent years.

For the 12,000 RSUs remaining from the June 20, 2017 RSU award there are three remaining vesting dates: June 20, 2020, June 20, 2021, and June 20, 2022.

Retirement Benefits

The Company maintains two defined benefit pension plans in which the Named Executive Officers participate, the Virco Employees Retirement Plan (“**Employee Plan**”) and the Virco Important Performers Retirement Plan (“**VIP Plan**”). The Company and its subsidiaries cover all employees under the Employee Plan, which is a qualified noncontributory defined benefit retirement plan. Benefits under the Employee Plan are based on years of service and career average earnings. The Company also provides a supplementary retirement plan for certain key employees, the VIP Plan. The VIP Plan provides a benefit up to 50% of average compensation for the last five years in the VIP Plan, offset by benefits earned under the Employee Plan. Effective December 31, 2003, the Company froze all future benefit accruals under the plans. All NEO’s are fully vested under both Plans.

Potential Payments upon Termination or Change-in-Control

The Company does not have employment agreements with any of the Named Executive Officers. Retirement, death, disability and change-in-control events do not trigger the payment of compensation to the Named Executive Officers that is not available to all salaried employees (including the amounts included in the “Retirement Benefits” discussion above). Named Executive Officers do not have a contractual right to receive severance benefits.

Pursuant to the Company’s 2011 Stock Incentive Plan, the vesting of outstanding stock awards will be accelerated upon a change-in-control. The Company’s 2019 Omnibus Equity Incentive Plan provides that awards under such Plan may be subject to acceleration upon a “Change of Control” (as defined in the Plan).
